

PAVER PROJECT 2024 SALE

Beautifying our community piece by piece

The Crystal Beach BIA in partnership with the Kin Club of Ridgeway-Crystal Beach are pleased to announce they are pulling together their efforts and resources to embark on **“Paver Project 2024”**. A continuing beautification project at the entrance to the majestic Bay Beach.

THE PROJECT PLAN

What our 2 community based groups are aiming to do is further the efforts last year of the CBBIA in which the iconic Crystal Beach sign at the entrance to Bay Beach was installed, and which has now become one of the most photographed signs not only in Fort Erie but also the region. Currently that area is simply laid with dirt and mulch. We want to now put the finishing touches on that area surrounding the sign and “Hardscape” the area in a beautification effort to the area but also to make the area more aesthetically pleasing and safe for visitors to the beach and for all those pictures!

THE GOAL

Bay Beach is recognized as a “Blue Flag” designated beach. The iconic blue flag designation is one of the world's most recognized voluntary awards for beaches and which has a series of stringent environmental, educational, safety and accessibility criteria to meet in order to maintain that designation.

The goal of our groups is to recognize our local citizens, businesses, organizations and those who simply love Bay Beach by showing their support and purchasing a “Paver” whether it be for yourself, your business, a local group or loved one, this is your opportunity to do so and embed yourself in the history of Bay Beach.

As not for profit groups all profits from this project will go right back into supporting local charities and community initiatives. A win/win for all of us and the incredible community in which we live.

THE LAUNCH

While we already have people/groups and organizations eagerly waiting to purchase their paver(s) we will be launching the event on Saturday May 18th at the Crystal Ball Café from 5pm-8pm with live entertainment hors d'oeuvres and cocktails. You can also purchase your paver online at [Crystal Beach BIA - Paver Project](#). Payment can be made by Debit/Credit Card/Cheque/E-Transfer/Cash as well as Apple & Google Pay. We will only be releasing 200 pavers so they will go fast. Each week we will feature the paver project at a local business in Crystal Beach or Ridgeway in order to not only promote the project but as a way to show our support of our local business community. Please watch for those weekly features.

Please see the form below to order and pay for your paver or contact us with any questions at paverproject2024@gmail.com and on behalf of the Crystal Beach BIA and the Kin Club of Ridgeway-Crystal Beach we thank you for your support.
