

PAVER PROJECT 2024 SALE Beautifying our community piece by piece

The Crystal Beach BIA in partnership with the Kin Club of RIdgeway-Crystal Beach are pleased to announce ther are pulling together their efforts and resources to embark on **"Paver Project 2024".** A continuing beautification project at the entrance to the majestic Bay Beach.

## THE PROJECT PLAN

What our 2 community based groups are aiminng to do is further the efforts last year of the CBBIA in which the iconic Crystal Beach sign at the entrance to Bay Beach was installed. It is one of the most photographed signs not only in Fort Erie and the Region. Curently that area is simply laid with dirt and mulch. We want to now put the finishing touches on that area surronding the sign and "Hardscape" the area in a beautification effort to the area but also to make the area more asthetically pleasing for visitors to the beach and for all those pictures!

## THE GOAL

Bay Beach is recognized as a "Blue Flag" designated beach The iconic blue flag designation is one of the worlds most recognized voluntary awards for beaches and which has a series of stringent environmental, educational, safety and accessibility criteria to meet in order to maintain that designation.

The goal of our groups is to recognize our local citizens, businesses, organizations and those who simply love Bay Beach by showing their support and donating a "Paver" for yourself, your business, a local group or loved one, this is your opportunity to do so and embed yourself in the history of Bay Beach

As not for profit groups all profits from donations to this project will go right back into supporting local charities and community initiatives. A win/win for all of us and the incredible community in which we live.

## THE LAUNCH

While we already have people/groups and organizations eagerly waiting to purchase their paver(s) we will be launching the event on Saturday May 18<sup>th</sup> at the Crystal Ball Café from 5pm-8pm with live entertainment horsd'ourves and cocktails.
